

## Temple Adath Yeshurun Bar / Bat Mitzvah Participation and Timing within Service

October, 2016 revision

### **Presentation of Tallit:**

After *Shaharit*, right before Torah service begins the Tallit is presented by parents, grandparents, or other relative. Child rises and says brakha. Those giving the tallit drape it over the child's shoulders.

Rabbi announces start of Torah service – page 394.

### **Child, family members and all those participating in opening part of Torah service ascend the bimah *at this time*.**

Parents take the 7<sup>th</sup> *aliyah*. Let Rabbi Drazen or Barbara know if you would like our instructions about how to take *aliyah*.

*Hatzi Kaddish* is said.

Child has *maftir* *aliyah*. When the child has completed her/his *aliyah*, parents say the *barukh shepetaranu* prayer after bar/t mitzvah completes the brakha for the *aliyah*, but **before** the haftarah. **Read both the Hebrew and the English.**

There is a sheet with wording provided on the pulpit and you will get a card as well.

For boys: *barukh shep'ta-ranu may onsho she la ze.* ברוך שפטרנו מעונשו של זה

For girls: *barukh shep'ta-ranu may onsha she la zo.* ברוך שפטרנו מעונשה של זו

Immediately after haftarah – Rabbi and Ba'alat Tefilah recite *mi-sheberakh for bar/t mitzvah*.

After *Ashrei*, the service continues on page 422, with the service to return the Torah to the ark.

### **Those participating in closing part of Torah service ascend the bimah *at this time*. Family members join the processional.**

*After Torah is returned to ark:*

- Child gives *devar Torah*.
- Rabbi speaks to Bar/t Mitzvah. At the end of his remarks, the rabbi calls on the family to rise and say *shehehiyanu.* "Cards with blessing provided."
- Sermon

*At the end of Musaf* – after *aleinu* and *kaddish*, page 512, but before *Adon Olam*

Parent message to child\* 2-3 minutes (optional). Rabbi reviews remarks before.
