A Woman of Valor Who Can Find?

You are our mother
You inspire us
You encourage us
You lift us up when we are down
You wipe away our tears when we cry
You laugh with us
You cuddle with us
You make awesome meals for us
You help us with our homework (and nag us)
You show us how to live a Jewish life
You teach us humility and kindness
You play games with us (no video games)
You are our role model
You are truly a woman of valor

You are our mother

You are my best friend
You are a wonderful mother to our children
You are my role model
You are a role model to our community
You encourage me
You encourage all those around you
You are always there when someone else needs you
You lead by example and with humility
You are truly a woman of valor

You are my wife

We Love You, Chaim, Ari, Shai, Ilana, and Jonah

Congratulations on your Silver Anniversary, Esa!

A message from Andrea Knoller

Temple Co-President & Chair of Cantors' Concert Committee

Esa has performed exceptional service to Temple Adath Yeshurun for a quarter century, for which we are immensely grateful. Her ability and willingness to expand her commitment to us this past year by stepping up to lead our congregation has been an extraordinary example of selflessness, commitment, and humility. She is a remarkable tour de force, energizing us as we move forward to a new era at Temple Adath Yeshurun. *Todah Rabah* and *L'Chaim*, Esa! Here's to 25 more!

A message from Chaim Jaffe

Temple Co-President

On behalf of the Temple Adath Yeshurun family, I want to extend a warm welcome to Cantor Perlman and Janice. It is a privilege to welcome them back to our community. Although they moved to the Baltimore area more than twenty years ago, they have maintained their friendships and connections to our community. We want to thank Cantor Perlman for his time and efforts to make this evening possible and as successful as it is.

On a more personal level, Esa and I are honored to welcome Cantor Perlman back to our temple community. You see, our wedding was the first at which Cantor Perlman officiated, upon his arrival at Temple Adath Yeshurn. Little did Esa and I know at the time, that almost twenty-six years later we would all be here this evening celebrating Esa's achievements with Cantor Perlman. For reasons that will become evident as the evening progresses, I want to thank Cantor Perlman for his dedication and encouragement in making this evening possible for Esa.

A message from Cantor Emanuel C Perlman

Janice and I are overjoyed to return to the warm embrace of the Adath community. Syracuse will forever hold our grown children's imagination and uninterrupted commitment to SU Sports and Temple Adath Yeshurun.

We too, join in with great pride in honoring the two decades of leadership from colleague Cantor Esa Jaffe. We too, mourned the profound loss of beloved Rabbi, Paul Drazen. He will be in our hearts during the concert.

Our deepest appreciation goes to our friends, co-Presidents Chaim Jaffe and Andrea Knoller for always stepping up to the plate and hitting it out of the shul...

Thank you for sharing treasured memories, Cantor Emanuel C Perlman

A message from Rabbi Yehoshua Zehavi

Dear Temple Adath Yeshurun Community,

We're so pleased to be able to share this weekend with you and to enjoy Esa's and Cantor Perlman's concert. Most importantly, we're excited to celebrate Esa's wonderful accomplishments and many years of dedication to the shul!

Looking forward to many more joyous occasions together! Rabbi Zehavi, Ashira, Nadiv, and Boaz

Central New York music legend Todd Hobin knew nothing about stroke — but he does now. That's why he's raising awareness

about stroke risk factors and its signs and symptoms.

Fact: Stroke is the fifth leading cause of death and a leading cause of disability in the U.S.

Important to know: Stroke can happen to both men and women — at any age.

Good news: Stroke is preventable by managing medical risk factors and healthy lifestyle choices.

What to do: Time lost is brain lost. So it's vital to know the signs of a stroke — F.A.S.T.

Four words to live by: Call 911 and say. "Take me to Crouse."

When it comes to stroke, every moment matters. As one of just 12 hospitals in New York State tohave earned Comprehensive Stroke Center status, and with the region's newest ER and hybrid ORs, Crouse offers the most advanced technology for rapid stroke diagnosis and treatment.
