

Tree Of Life

(Nefesh Mountain)

O sweet spirit hear my prayer
Help these words heal someone out there
I am but a voice, just a cry in the air
But I sing nonetheless
In this pain we share

O sweet friends come and dry your eyes
And hold each other by this tree of life
I'm angry and tired of this great divide
But I sing nonetheless with love on our side

O sweet souls who feel broken now
We'll heal together somewhere, somehow
Time and again we have been let down
But we sing nonetheless still whole and still proud

O sweet spirit hear my prayer
Help these words heal someone out there.

Olam Chesed Yibaneh

(Menachem Creditor)

Olam chesed yibaneh
I will build this world from love
And you must build this world from love
And if we build this world from love
God will build this world from love

*As long as within our hearts
The Jewish soul sings,
As long as forward to the East
To Zion, looks the eye –
Our hope is not yet lost,
It is two thousand years old,
To be a free people in our land
The land of Zion and Jerusalem.*
